

I AM MEDI-CAL

Medi-Cal Covers....

After my assault...I learned that Medi-Cal will cover Mental Health Services which helped me heal from the traumatic experience.

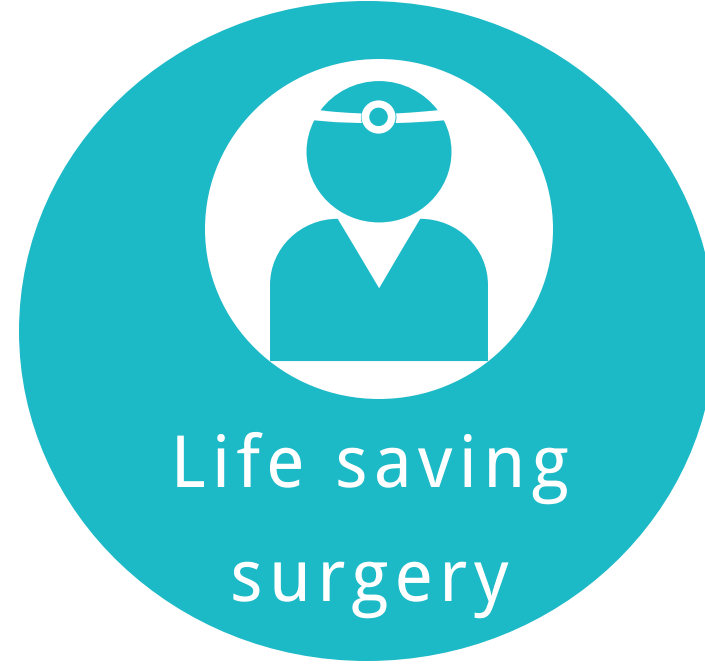

-Michelle, 22, Merced resident

"Through Medi-Cal my son was able to get his heart surgery."

-Teng, 28, Merced resident

"I was able to receive medical attention and have Medi-Cal cover my first pair of hearing aids. For an immigrant like me, it was as if God blessed me a new pair of ears."

-Merced resident, 52

"Medi-Cal saved my daughter's life... able to get through with the hernia removal surgery. She is currently 11 years old now."

- Dos Palos resident, 42

"As DACA recipient, I didn't know what to do but panic. Thanks to Medi-Cal, I was able to heal properly and get back to work."

- Dos Palos resident, 22

"My provider...treated me with respect."

- Gena, 58, Homeless resident

I am Medi-Cal is a campaign under the Health Care Consortium. The Consortium has worked to gather these stories to highlight the importance of Medi-Cal.
