Health Order Amended to Promote Mental and Physical Health

MERCED COUNTY, CA – In an effort to promote health and wellness, Merced County Public Health Officials have amended the current Stay-At-Home Order (Order) allowing modified recreation in parks and golf courses. The amended Order is effective immediately and supersedes the prior Order issued on April 8, 2020.

“After careful consideration, in an effort to maintain physical and mental health during this stressful time, the Department feels it’s necessary to promote options for wellness while still adhering to the safety measures in the Health Officer Order,” says Dr. Rebecca Nanyonjo-Kemp, the Department of Public Health Director.

Although the Order has been amended, it’s important that social distancing and safety measures still remain, as we’re still at-risk for a surge of transmission in our community. The Order allows for golf courses to resume operations, under an approved operational guideline. Once an operational guideline is approved, the golf courses will be able to operate with restrictions, which include the continued closures of Pro-shops, driving ranges, and any restaurants or bars located on-site. Green open spaces at parks will now be accessible to residents, along with park pathways. The picnic areas, BBQs, and other related facilities at parks will remain closed. Individuals at golf courses, or using the walking trails, bicycle paths and green spaces in the parks will be required to continue social distancing and are advised to wear face cloth covering while outside of their homes.

Golf courses and parks are required to be closed for the upcoming major holiday weekends – Mother’s Day, Memorial Day, Father’s Day, and 4th of July.

The Order:

- Directs all individuals living in the County to continue to stay at home unless they are providing or receiving essential services;
- Directs all businesses and governmental agencies to cease non-essential operations at physical locations in the County;
- Prohibits all non-essential gatherings of any number of individuals (including church services and funeral services);
- Orders cessation of all non-essential travel; and
- Restricts access to certain recreation areas (excluding golf courses, walking trails, bicycle paths, and green spaces in parks).

DATE OF ORDER: April 17, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a misdemeanor punishable by fine, imprisonment, or both. [California Health and Safety Code, Section 120295, *et seq.*; Government Code, Section 8665; Penal Code, Section 148(a)(1)]

UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, THE HEALTH OFFICER OF THE COUNTY OF MERCED (“HEALTH OFFICER”) ORDERS:

1. This Order supersedes the April 8, 2020, Order of the Health Officer directing all individuals to stay at home (“Prior Stay at Home Order”). This Order clarifies, strengthens, and extends certain terms of the Prior Stay at Home Order to increase social distancing and reduce person-to-person contact in order to further slow transmission of Novel Coronavirus Disease 2019 (“COVID-19”). As of the effective date and time of this Order set forth in Section 15 below, all individuals, businesses, entities, and government agencies in the County of Merced (the “County”) are required to follow the provisions of this Order.
2. The intent of this Order is to ensure that the maximum number of people self-isolate in their places of residence to the maximum extent feasible, while enabling essential services to continue, to slow the spread of COVID-19 to the maximum extent possible. When people need to leave their places of residence, whether to obtain or perform vital services, or to otherwise facilitate authorized activities necessary for continuity of social and commercial life, they should at all times reasonably possible comply with Social Distancing Requirements as defined in Section 12 below. All provisions of this Order should be interpreted to effectuate this intent. Failure to comply with any of the provisions of this Order constitutes an imminent threat to public health.

3. In accordance with the Order of the State Public Health Officer and the California Governor's Executive Order N-33-20 both issued on March 19, 2020, all individuals currently living within the County are ordered to shelter at their place of residence. To the extent individuals are using shared or outdoor spaces, they must at all times as reasonably possible maintain social distancing of at least six feet from any other person when they are outside their residence. All persons may leave their residences only for Essential Activities, Essential Governmental Functions, or to operate Essential Businesses, all as defined in Section 12. Individuals experiencing homelessness are exempt from this Section, but are strongly urged to obtain shelter, and governmental and other entities are strongly urged to make such shelter available as soon as possible and to the maximum extent practicable (and to utilize Social Distancing Requirements in their operation).
4. All businesses with a facility in the County, except Essential Businesses as defined below in Section 12, are required to cease all activities at facilities located within the County except Minimum Basic Operations, as defined in Section 12. For clarity, businesses may also continue operations consisting exclusively of employees or contractors performing activities at their own residences (i.e., working from home). All Essential Businesses are strongly encouraged to remain open. To the greatest extent feasible, Essential Businesses shall comply with Social Distancing Requirements as defined in Section 12 below, including, but not limited to, when any customers are standing in line.
5. All public and private gatherings of any number of people occurring outside a household or living unit are prohibited, except for the limited purposes as expressly permitted in Section 12. All bars, wineries and brew-pubs should be closed, all in-dining at restaurants should cease, with the exception of home delivery and takeout, and all gyms, bingo halls, and card rooms should close. Nothing in this Order prohibits the gathering of members of a household or living unit.
6. All agencies, jurisdictions, entities, individuals, businesses, companies, private or public, owning or operating parks are hereby directed to cease all operations and services of certain park facilities within the County, closing all park picnic areas, lake facilities, playgrounds, skateboard parks, basketball courts, volleyball courts, and indoor facilities in parks, and shall prevent all public and motorized access by use of signage and physical barrier wherever possible, except access to walking trails, bicycle paths, and green spaces is allowed. Golf courses will only be allowed to operate if following approved operational guidelines provided by the Merced County Department of Public Health. Individuals accessing walking trails, bicycle paths, or green spaces in parks, and golf courses, shall follow Social Distancing Requirements.
 - a. Such access to walking trails, bicycle paths, and green spaces shall be exclusively by non-motorized means, except that disabled persons with vehicles possessing current and valid disabled person parking placards or disabled person license plates may continue to access parks by motorized

means but only to the minimum extent necessary to engage in Essential Activities at walking trails, bicycle paths, and green spaces.

- b. All park facilities, including green spaces and golf courses, must be fully closed on major holiday weekends, including Mother's Day weekend, Memorial Day weekend, Father's Day weekend, and 4th of July weekend.
7. All travel, including, but not limited to, travel on foot, bicycle, scooter, motorcycle, automobile, or public transit, except Essential Travel and Essential Activities as defined below in Section 12, is prohibited. People must use public transit only for purposes of performing Essential Activities or to travel to and from work to operate Essential Businesses or maintain Essential Governmental Functions. People riding on public transit must comply with Social Distancing Requirements as defined in Section 12 below, to the greatest extent feasible. This Order allows travel into or out of the County to perform Essential Activities, operate Essential Businesses, or maintain Essential Governmental Functions.
8. This Order is issued based on evidence of increasing occurrence of COVID-19 throughout the state, scientific evidence and best practices regarding the most effective approaches to slow the transmission of communicable diseases generally and COVID19 specifically, and evidence that the age, condition, and health of a significant portion of the population of the County places it at risk for serious health complications, including death, from COVID-19. Due to the outbreak of the COVID-19 virus in the general public, which is now a pandemic according to the World Health Organization, there is a public health emergency throughout the County. Making the problem worse, some individuals who contract the COVID-19 virus have no symptoms or have mild symptoms, which means they may not be aware they carry the virus. Because even people without symptoms can transmit the disease, and because evidence shows the disease is easily spread, gatherings can result in the transmission of the virus. The scientific evidence shows that at this stage of the emergency, it is essential to slow virus transmission as much as possible to protect the most vulnerable and to prevent the health care system from being overwhelmed. One proven way to slow the transmission is to limit interactions among people to the greatest extent practicable. By reducing the spread of the COVID-19 virus, this Order helps preserve critical and limited healthcare capacity in the County.
9. This Order also is issued in light of a significant and increasing number of suspected cases of community transmission and likely further significant increases in transmission. Widespread testing for COVID-19 is not yet available but is expected to increase in the coming days. This Order is necessary to slow the rate of spread and the Health Officer will re-evaluate it as further data becomes available.
10. This Order is issued in accordance with, and incorporates by reference, the following:
 - a) The Proclamation of the State of Emergency issued by Governor Gavin Newsom

on March 4, 2020.

- b) Executive Order N-25-20 issued by Governor Gavin Newsom on March 12, 2020.
- c) Proclamation on Declaring a National Emergency Concerning the Novel Coronavirus Disease (COVID-19) Outbreak issued by the President of the United States on March 13, 2020.
- d) Order of the Merced County Health Officer on March 13, 2020.
- e) Executive Order N-33-20 issued by Governor Gavin Newsom on March 19, 2020.
- f) Order of the State Public Health Officer issued on March 19, 2020.

11. This Order comes after the release of substantial guidance from the County Health Department, the Centers for Disease Control and Prevention, the California Department of Public Health, and other public health officials throughout the United States and around the world, including a variety of prior orders to combat the spread and harms of COVID-19. The Health Officer will continue to assess the quickly evolving situation and may modify or extend this Order, or issue additional Orders, related to COVID-19.

12. Definitions and Exemptions.

IT IS SO ORDERED:

Kenneth Bird, MD, MPH
Merced County Health Officer

Dated: April 17, 2020

**Merced County Department of Public Health
COVID-19 Golf Safe Distance Rules
During Effective Dates of Stay at Home Order**

Note these guidelines are a compilation of many clubs' best practices. These are the minimum requirements that must be enforced; Clubs are able to enforce policies that are more stringent if they feel they are necessary to ensure the health and safety of persons using their facilities.

Clubs are responsible for ensuring compliance of their individuals utilizing their facilities.

Facilities

1. All clubhouse and indoor facilities are and shall remain closed, including, but not limited to the Pro Shop, Bar, and Restaurants.
2. Driving ranges are to remain closed because of lack of ball cleaning/retrieval ability.
3. If restrooms remain open, cleaning must be increased to all touch points at least 4 times per day.
4. Check in, if required, must be completed outside, with social distancing of at least 6 feet while both golfer and staff are masked, or through a Plexiglas-type shield.
5. Expand tee time intervals to ensure social distancing.

Persons Allowed on Courses

1. Outdoor areas of golf clubs are open only by tee time appointment for appropriate outdoor activities, including the playing of golf pursuant to COVID-19 Golf Safe Distances Rules.
2. Persons who are symptomatic with cough, fever, or shortness of breath, or are housed with anyone symptomatic are prohibited from being on site until those symptoms have subsided for at least fourteen (14) days. A negative COVID-19 test result does not overrule the recommended quarantine, due to potential testing false negatives.
3. Any person who is quarantined by order of a medical or governmental official is prohibited from being on site until the quarantine is lifted.
4. Except for persons of the same household, persons who drive their vehicle to the site should do so alone and park, if possible, at least one space apart. At all times, those who are not persons of the same household using the course, including parking areas, shall stay at least ten (10) feet away from all other users.
5. Those golfing must have no more than 4 players in any group. Social distancing MUST be maintained around the green.
6. Only one person per golf cart.
7. Patrons must wait in their cars until their designated tee times. No social gathering while waiting for the round to begin. Patrons must go directly from hole 18 to their car. No social gathering following the round.

8. Any and all contact with golf course staff, including payment processing, will be done telephonically or electronically, with the exception of check in, if required (see facility rules, above). No cash payments.
9. Limited staff may remain on site for basic facility/grounds maintenance, security, and to ensure compliance with these rules. However, staff must remain 6 feet from all patrons, and wear a mask during interactions.

Equipment

1. No rental clubs or balls may be used and all patrons must bring and use their own equipment.
2. If patrons wish to pick up golf clubs or pull carts from the bag/cart storage, arrangements to do so must be made electronically in advance with staff who will remove the equipment and leave it outside in a designated location. The equipment will not be returned to storage until regular play is resumed (the patrons must then take their equipment with them). This equipment must be the patron's personal equipment.
3. Golf cart rentals should be limited whenever possible, and arranged in advance, electronically or over the phone.
 - a. When possible, if the requesting patron does not have a personal cart, a cart number will be assigned to the requesting patron and that cart shall be used only by that patron and the patron's household during the duration of these rules.
 - b. Golf carts must be picked up and dropped off outside by masked staff maintaining 6 feet or more social distance from any patrons.
 - c. Golf carts must be cleaned and sanitized between each use, and before staff move them back into storage.
 - d. Only one person per golf cart.
4. All rakes, ball washers, and sand bottles must be removed to avoid cross-contamination. If a ball lands in a spot that would otherwise have been raked (e.g. a footprint or divot), the ball can be placed in the nearest undamaged portion of the bunker.
5. The golf cups and flags must be modified to prevent the ball from going into the cup. Flagstick or the base holding the flagstick in place must not be touched or removed. Courses must provide alternative ways to remove balls from holes that do not require human contact, or alternative rules (e.g., putts within two feet are to be conceded to minimize the possibility of contact with the hole and stick.)
6. Except for persons of the same household, players should not touch another player's ball, equipment, or cell phone, including scorecards and pencils.
