NONDIAGNOSTIC GENERAL HEALTH ASSESSMENT REGISTRATION COMPLIANCE CHECKLIST

You should be able to answer "yes" to each question. This list will be utilized as part of our inspection checklist.

A. This assessment program must be operated per Section 1244 of the California Business and Professions Code. Please answer each of the following questions.

Yes No

1. This program will be a Nondiagnostic health assessment program, whose purpose will be to refer individuals to licensed sources of care as indicated.

2. This program will utilize only those devices which comply with all of the following:

A. Meet applicable state and federal performance standards pursuant to Section 26605 of the Health and Safety Code.

B. Are not adulterated as specified in Article 2 (commencing with Section 26610) of Chapter 6 of Division 21 of the Health and Safety Code.

C. Are not misbranded as specified in Article 3 (commencing with Section 26630) of Chapter 6 of Division 21 of the Health and Safety Code.

D. Are not new devices unless they meet the requirements of Section 26670 of the Health and Safety Code.

3. This program maintains a supervisory committee consisting of at a minimum, a California licensed physician and surgeon and a laboratory technologist licensed pursuant to the California Business and Professions Code.

4. The supervisory committee for the program has adopted **written protocols which shall be followed in the program**. (Please include a copy of your written protocols with this application).

5. The protocols contain provision of written information to individuals to be assessed. (Please include a copy of any written information that you will provide individuals as a part of this program).

6. The written information to individuals includes the potential risks and benefits of assessment procedures to be performed in the program.

17. All individuals performing the skin puncture are authorized to do so under and/or the Business and Professions Code.

(or) All individuals performing skin puncture possess a signed statement signed by a California licensed physician and surgeon which attests that the named person has received adequate training in the proper procedure to be employed in skin puncture.

NOTE: Skin puncture means the collection of a blood specimen by the finger prick method only and does not include venipuncture, arterial puncture, or any other procedure for obtaining a blood specimen.

The individual submitting this form certifies that the information provided is accurate and complete and that he/she is aware of the laws and regulations that apply to Nondiagnostic testing in the State of California and in the County in which testing is to be performed.
