

ATTENTION

ALL STATE SMALL WATER SYSTEM OPERATORS

A NEW REVIEW AND ASSESSMENT PROCESS IS HERE!

Merced County Community and Economic Development Department Division of Environmental Health (MCDEH) will be implementing a new annual review process starting **January 1, 2020** for all existing and future state small water systems in Merced County.

WHAT TO EXPECT:

- A request to complete the attached Assessment Form.
- A one-on-one meeting with an MCDEH inspector to talk about updates with the program.
- A request to complete an updated Application Package for State Small Water Systems.
- An on-site water distribution inspection to ensure compliance with applicable regulations.

Complete and return the **“State Small Water System Annual Assessment Form”** to:

Merced County Division of Environmental Health
2222 M Street, Merced, CA 95340

We want to ensure you and your water system have the resources you need to succeed!
